

To accommodate the growth of Meteorological Solutions Inc. (MSI) we have found it necessary to relocate our offices. Effective **May 11, 2009** our office address and phone numbers will change as follows:

New Mailing Address:

Meteorological Solutions Inc.
4525 Wasatch Blvd. Suite 200
Salt Lake City, Utah 84124

Old Mailing Address:

Meteorological Solutions Inc.
2257 S 1100 East, Suite 203
Salt Lake City, Utah 84106

Telephone Numbers:

Our new telephone number will be **801-272-3000**. Our old number phone number (801-474-3826) will be forwarded to our new number for a short period of time. Our new fax number will be **801-272-3040**. Our old fax number (801-474-0766) will no longer work after May 11. Our 800 number will be unchanged.

Web and e-mail addresses:

There will be no changes to our web and e-mail addresses.

On-line data hosting:

If you utilize our on-line data hosting services please note that the IP address of our ftp server will be changing to 173.10.23.163. You will be contacted with additional information prior to the migration. You will be pleased to hear that connection speeds will be approximately 10 times faster than our current data center providing you with a much more robust environment for data review.
